

Dear Parents,

Hooray it's March! Hopefully the warm weather will be coming soon.

We are going to have a crazy month. Our themes for this month will be the pond, St. Patrick's Day, Spring, and the ocean.

There will be a lot of no school days this month. (I think public school has their spring break on the Fridays of March.)

There will no school on March 6, 12, 13, 16, and 19.

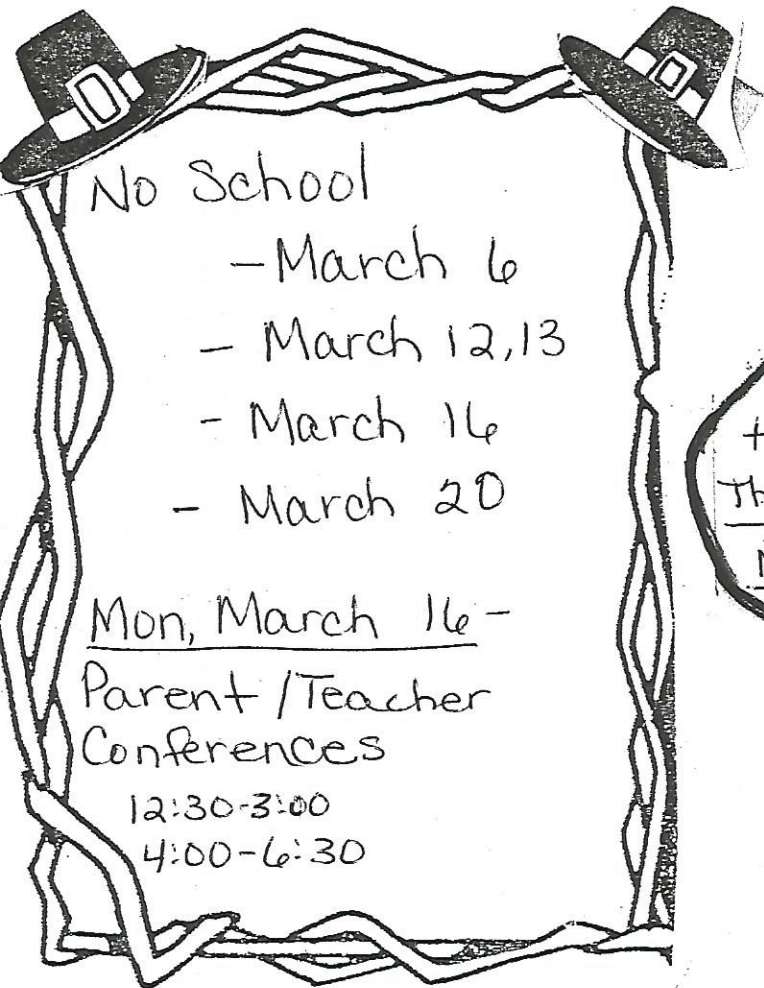

**Parent/ Teacher conferences will be held on Monday, March 16, from 12:30 to 3:00 and from 4:00 to 6:30.** You can call or come in to sign up anytime.

The afternoon preschoolers are doing a GREAT JOB learning their word wall words. We (the 5 day a week group) have been practicing and adding new words as I think they are ready. I am very proud of them!

Here's a little fun fact about the first (full) day of spring. You can set an egg on its end on the first day of spring because of the way the earth is tilted on its axis.

As I mentioned, Parent/Teacher conferences will be held on Mon. March 16. I will run on 15min. time slots. This is also when I sign up kids for next fall.
